The following criteria will be present in the following order on the summary table:

- (a) Points
- (b) Goals difference
- (c) Number of goals
- (d) Direct comparison among the teams
- (e) Position in lottery

9. Referee

The referee will be chosen by the "EBW" - Ice Hockey association Baden Württemberg. Each game will be played with two referees.

9.1 Fouls

When a referee determines that a foul has taken place, there will be normally two minutes time out for the player who committed the foul. A longer time out (5 minutes and disciplinary punishment—sit out for the rest of the game) is possible. Penalties from the 1st half are transferred to the 2nd half.

Disciplinary punishment for a player will be decided through a discussion between the tournament director and referee, (possibly the player is not allowed to play in the next game or in the entire tournament).

10. Team Uniforms and Players' Equipment

Each team should bring a light and dark jersey. All the team head coaches will be asked in enough time before the next game which jersey color each team will be wearing. This will minimize time lost from having to deal with teams who have same or similar jersey colors. Each player is required to have the complete and functional equipment and the equipment should meet the safety guidelines. When a player is found lacking his/her equipment according to the safety guidelines, the player will not be allowed to play until he/she has the proper equipment.

11. Protests

Protests are generally not accepted (except for eligibility / age).

12. Liability

The tournament organizer is not liable for damages. The teams should be covered with the necessary insurances themselves. Each team is liable for any damages made to the locker room/ teams' changing room.

13. Special Regulations

The trophy ceremony will take place immediately after the last game in the entire tournament. The teams are asked to wear their jersey when they appear at the trophy ceremony. Each team will receive a trophy for which position they placed.

Each team must be ready to play at least 10 minutes before their game begins. In order to maintain the planned time schedule, all teams are asked to hold the warm-up and the time on the ice at end of a game to minimal.

We wish all the teams a good arrival and a successful course in the tournament, especially beautiful days in Mannheim!
